

Our Mission Statement: To Enhance and Maintain a Community of Excellence

HOA Quarterly Update

-Laura L. Carnrike, CMCA®, AMS®, Director of HOA Operations

Happy Summer Kiln Creek! The nice summer weather has started to bring everyone outside; at our pools, on our Golf Course, at NEST, etc.! It's so nice to see our Community coming together to enjoy all that we have to offer!

Over the last few months we've had a lot going on in Kiln Creek! There's always something to do! Below are some of the events we've hosted. A big THANKS to all that have attended:

*Monthly Fun Run, Bingo, Breakfast with the Bunny, Easter Brunch, Mother's Day Brunch, Paint Night, Coffee with a Cop, Social Group Art Show, Water Aerobics, Aqua Zumba, YC Police Presentation, Shred Day, Couples Golf League, Fourball Golf League, Swim Team Practices & Meets, and Father's Day at NEST! **COMING UP SOON: COMMUNITY DAY JULY 27th! See pages 4 & 17 for more details!***

We have a lot of updates for you on the business side of HOA operations. Please take a few minutes to review what the Board of Directors, Committees and Staff have been working on over the last few months.

- **Brick Kiln Blvd Pot Hole Patches:** We have had numerous residents contact us concerning the bumpy patches of roadway that were installed along Brick Kiln Blvd. It has been reported to N.N. and they will review the patches to see if there is anything they can do. Next year, Newport News City plans to re-pave the entire stretch of Brick Kiln Blvd from Jefferson to the Resort!
- **Permanent Stormwater Pump by Dunhill in Lake #8:** The City has proposed installation of a permanent stormwater pump (to replace temporary pump) by Dunhill, which will automatically turn on once lake levels reach a pre-determined height. This will help reduce lake water

levels during major storms. The deed of easement has been reviewed by the Board & legal and turned over to the Newport News City Attorney to review. Once approved by the City Attorney and signed by our Board of Directors, the City can move forward with installation of the new pump and pumphouse.

- **Crosswalks:** Newport News has installed two new Crosswalks at the intersections of Featherstone/Cascades, and Dunhill/Images. We are currently working with them to ensure proper signage is installed. York County and VDOT do not have an update for their side of the community yet.
- **Oakwood Roads:** KCOA, York County & VDOT are still working together in an effort to have the Oakwood neighborhood roads turned over to VDOT to maintain. This has taken 20 years to come to fruition: we are working through the red tape to make this happen for our Oakwood residents.
- **Walking Paths:** We have started the process of making repairs to our walking paths. Thank you for your patience as we work through this process.
- **Records Request Policy:** The Board has created a new records request policy that is available to view at <https://www.kilncreek.org/records-request-policy>.
- **Rules & Standards Updates:** The Rules & Standards Review Committee has made recommendations to the Board to approve. We will keep you updated on these changes once they are approved.
- **Updated Kiln Creek Vision, Motto & Mission Statement:**
Vision: *Be the Premier Place to Live on the Peninsula!* **Motto:** *To enhance and maintain a community of excellence.* **Mission:** *The Villages of Kiln Creek Homeowners Association delivers amenities, services, and value to Kiln Creek residents by effectively and efficiently managing community resources; monitoring and enforcing community standards; communicating with residents; and working with external agencies to benefit the community.*

THANK YOU FOR MAKING OUR WONDERFUL COMMUNITY
THE PREMIER PLACE TO LIVE ON THE PENINSULA!
HAVE A GREAT SUMMER!

Meet the Staff:

Heather DiRienzi grew up in New Jersey right outside of Philadelphia. She graduated in 2013 from Rutgers University. In January of 2017, she moved to Newport News and started working at various businesses in Kiln Creek. Last January, she started working at the Resort. In April of this year, she moved over to the HOA office where she has become our front desk Administrative Assistant.

Heather has a love of animals and tries to be around them whenever she gets a chance. Being relatively new to Virginia, she still takes advantage of being a tourist and enjoys going to museums and learning about all the history in the area.

If you have the pleasure of meeting Heather, make sure to tell her Welcome to the Kiln Creek Family!

COMMUNITY REVIEWS

By Sherrill Deese, Office Manager / Rules & Covenants Enforcement

Summer vacations are in full swing. I am currently enjoying my vacation in Brazil until the middle of July. When I return, we will be starting the follow-up reviews and looking forward to Community Day on July 27th. When we invite friends and family to our homes and to our community, we are so proud to live in an award-winning community.

The **in-depth** "Community Reviews" have been conducted during the spring and summer months when items can be addressed. Please remember that these reviews are conducted to maintain the high standard of living our residents have grown accustomed to. We have a beautiful, award winning community that we all want to see stay that way!

With this being the hottest time of the summer, don't forget that we are always willing to work with homeowners when an extension is needed. All you have to do is contact us. I also have residents contact me because they received a notice for work that they had already planned to do. Please be reminded that there is no way for us to know that you have planned the work unless you tell us. If you receive a letter but will need an extension, or have already planned work to be done, simply call or email me at sherrill@kilncreek.org.

We have almost completed all of the 2019 Community Reviews. The remaining neighborhoods will be completed through the end of July. Once they have been completed, Follow-Up reviews will begin. (*Neighborhoods marked with a (p) have private Associations.*)

Major Building Additions and Renovations

Jim Paddleford - BOD Treasurer and Chairman of Architectural Review Board

As we head into summer, a lot of people start thinking about how they can update their 30-year-old home. Please take note that a major change to the outside of your dwelling (or an interior change that includes changing items on the outside), like a new window or changing a window to a door, requires an application to the ARB. Make sure to include with your application any drawings, specifications, and a copy of your plat (lot survey). Major changes include greenhouses, porches, sunrooms, and room additions to name a few.

The design of the project shall be compatible with the existing dwelling with the roofing and siding materials being the same, if possible. Windows and doors should be the same style and height as current ones. Roof eaves and fascia should be the same style, depth, and height. The roof should have the same slope as exists on your house currently. Variations of this shall be considered on a case-by-case basis.

Any additions should not affect the neighbors view or environment, nor their ability to add onto their house. They also must not interfere with natural drainage of the neighboring properties.

Most importantly all county/city permits must be obtained before any work may be started. Once your project has been approved by the ARB, and while the project is underway, please ensure to keep your property and any construction materials in an orderly fashion.

As always, if you have any questions, please contact the HOA office prior to submitting your application. This way we can ensure most of our questions will be answered before the ARB reviews your request, and your project does not get delayed. Happy Building!

RULES & ARCHITECTURAL STANDARDS UPDATES

The Board of Directors will be voting on the recommended updates to the KCOA Handbook, which contains Rules & Architectural Standards. Once approved, we will be mailing a letter to all owners summarizing the updates/changes.

Once you receive the letter, the Handbook will be available online at www.kilncreek.org under the "management-documents and forms" tab. There will also be hard copies available at the HOA office if you would like to pick one up or have one mailed to you.

STORM DEBRIS

Since Hurricane season is in full swing, we just wanted to remind you of the Newport News and York County Regulations for bulk trash pick up.

Newport News Storm Debris: Newport News's bulk trash collection will collect storm debris less than 6 inches in diameter. Please remember that bulk trash pick up is every other Monday. July, August & September pick ups are: July 1, 15 & 29, August 12 & 26, Sept. 9 & 23.

Yorktown Storm Debris: Please note that Yorktown does not have a regularly scheduled bulk trash pick up. All storm debris must either be: a) placed into your regular trash bin, if it can fit, b) taken to the Y.C. dump, or c) called into Y.C. solid waste to schedule a pick up at 890-3780.

****Please also note that if you have had a tree come down, you still need to submit a notice in writing to the HOA office so we have documentation in your file that the tree has come down. Please note any trees that have fallen must be cut to ground level or ground out.**

Healing Water - One Size Fits All

Wadina Thompson

There was a time when we went to the pool to swim laps, take swim or splash around to cool off. Wow, what a difference a decade or two makes! The pool is also used for Mental Healing, Rehab, Obesity, Arthritis, Autism, Diabetes and the list goes on.

There are not many resources in life where one size fits all comfortably; however, when you step into the water, you immediately begin to feel the healing properties of the wonderful world of buoyancy leaving behind the forces of gravity.

The water is a safe place when respected, that offers a multitude of benefits. It's a place that relieves stress, offers less joint impact in shallow water and no impact in deep water. It also works wonders for balance control, improving cardio, core strength, mobility and provides an awesome total body work out.

When you engage in water exercises of any kind, you will notice a change in your health. The American College of Sports Medicine and the US Department of Health and Human Services indicate the need for adults to engage in at least 150 minutes of moderate intensity exercise each week.

Take a chance, try something new and refreshing. Sign up for a water exercise class and reap the rewards of the healing power of the water.

Our Water Aerobics & Aqua Zumba classes have taken off this summer!

EMERGENCY PROCEDURES

As we enter Hurricane season, we think about what can happen and what we would do afterwards. Below is an article from the Community Association Institute regarding what to do after a Natural Disaster. Let's all hope we have a mild hurricane season this year!

If your property has been damaged in a natural disaster—hurricane, tornado, flood, earthquake or fire—there are some important steps you can take in the immediate aftermath to ensure your safety and minimize financial loss. Consider the following actions:

- **Enter with caution.** Damaged homes or buildings could be structurally unsafe; use extreme caution when navigating those areas, and don't enter unless absolutely necessary. Debris and other hazards are unsafe.
- **Secure the property.** In cases of significant structural damage or security concerns, determine whether the damaged area needs to be secured with temporary fencing or another type of barrier to keep out unwanted guests.
- **Notify your insurer.** Call your insurance company to inform them there's been a disaster and to file an official claim. Take down the claim number and any relevant contact information for whomever will handle your claim. If your vehicle sustained damage, contact your automobile insurer.
- **Notify utility companies.** If property damage includes disruption to water, gas or electric utilities, contact the companies right away to shut off service. Failing to do so could pose a safety risk to you or emergency responders in and around the disaster area.
- **Take photos of the damage.** Beginning with the property's exterior, take photographs of the damage. If it's safe to enter the structure, take photographs of interior damage as well. These will come in handy for insurance purposes.
- **Take inventory of your damaged belongings.** Make a list of your damaged personal items and ensure you have photographs. Include the price of large appliances or valuable items with your list and, if possible, surviving receipts.

KILN CREEK GARDEN CLUB

SECURITY TIPS

9 Ways to prevent crime in your neighborhood

Tips found at: <https://www.courier-journal.com/story/news/crime/2016/02/05/9-tips-prevent-crime-your-neighborhood/79897638/>

- 1) Form Neighborhood Watch groups, which involve a partnership between residents and the police.
- 2) Trim or clear bushes, hedges, trees and other vegetation that can provide a hiding place for criminals.
- 3) Install porch, yard and motion-detector lights to supplement street lights.
- 4) Make sure that privacy fences are not providing concealment for criminals.
- 5) Don't hide valuables in popular places such as dresser drawers, bedroom closets or freezers. Those are the first places burglars look. Use safes for jewelry and weapons. Favorite items to steal are cash, jewelry, electronic equipment and games, silver, guns and items easily sold to pawn shops, second-hand stores or on the street.
- 6) Thieves look for homes that appear to be empty, so as a deterrent leave a car parked in the driveway, leave on radios or televisions and ask neighbors to provide surveillance. Most burglaries happen between 10 a.m. and 3 p.m.
- 7) Burglars want to spend no more than 60 seconds breaking into a home, so make entry more time-consuming by installing deadbolt locks on doors and bars and locks on windows.
- 8) Reduce rewards of crime by marking valuables with serial numbers that can make them more difficult to pawn or dispose of in some way.
- 9) Make a special effort to secure the front door and first-floor windows because those are the two places thieves are most likely to gain entry: Front door 34%, first-floor window 23%, back door 22%, garage 9%, basement 4% and second floor 2%.

Tips from Rebecca Woodring, Southeastern Virginia Chapter Community Association Institute's Chapter Executive Director

Everyone wants a safe place to call home, and community associations strive to make all residents feel secure. While diligent in efforts to reduce possible dangers in a community, no one can do it alone. Thankfully, taking a few simple steps can go a long way in keeping theft, vandalism and other felonies and misdemeanors out of an association. Homeowners have a responsibility to their community to help keep it safe, and incorporating even a few of these tips can go a long way. Do your part to make your association a place you're happy to call home.

- 1) Know your neighbors: meet your neighbors and create contact lists;
- 2) Leave the light on: Keep your front light on;
- 3) Lock up: Keep all doors, windows & garages locked up;
- 4) Put on your walking shoes: Walk the neighborhood to keep eyes out;
- 5) Clean it up: Pick up litter, remove graffiti, trim bushes, etc.;
- 6) See something, say something: Notify the police if you see anything unusual.

"BOOKS ON BIKES" – BOOK DRIVE!

Bring your books to the HOA office July 1st through 31st for a BOOK DRIVE to help increase childhood literacy through "Books on Bikes".

Books on Bikes Newport News is a teacher literacy and outreach program instituted to bring books to children in Newport News. Volunteer teachers ride bikes with baskets of books and coolers of popsicles into student neighborhoods during the summer months and extended school holidays. They are volunteer-run and donation-based. Books on Bikes not only increases student access to books and builds home libraries, but it develops and fosters a relationship between Newport News residents and our local school communities. Visit their Facebook page: facebook.com/bookonbikesnewportnews.

Player's Choice by Sandy Embry

Hello friends and neighbors of Player's Choice. Well we sure have had a wet spring! Hopefully we will not have a sizzling summer? School will be dismissing soon for the summer, let's keep an eye out for children on bikes and skate board throughout the neighborhood. Our speed limit is only 25 MPH.

Welcome to our newest neighbor Anthony & Janice Persinger. Looking forward to meeting you at our next Board Meeting on July 15, 2019.

We held our Annual meeting on April 15th with approximately 35 residents in attendance.
The following Board members we elected:

Current Board of Directors are as followings:

Gary (Rod) Metcalf – <i>President</i>	928 Prestige Court	969-5177	email: gary.metcalf@cox.net
Phyllis Wallace – <i>Vice President/ARB Chairperson</i>	908 Drivers Lane	817-8269	email: pbwallace197@outlook.com
Charlie Krieg – <i>Treasurer</i>	919 Prestige Court	867-2794	email: charliekrieg03@gmail.com
Sandra (Sandy) Embry – <i>Secretary/ Neighborhood Watch Chairperson</i>	900 Prestige Court	898-4508	email: sembry1@cox.net
Marsha Renn – <i>Social Committee Chairperson/ Neighborhood Advisory Board</i>	984 Drivers Lane	369-0695	email: mir3312@gmail.com

It is that time of year again for outside cleanup, i.e. roofs, sidewalks, driveways, etc. Remember if you are going to do any exterior remodeling, changing colors of shutters or entrance doors, please remember to contact our ARB Chairperson: Phyllis Wallace at 757-817-8260 or email pbwallace197@outlook.com (she is our new ARB Chair).

2019 Schedule of Board Meetings:

July 15, 2019 – Monday, 4:00 PM at the Kiln Creek Rec Center (Board)
October 21, 2019 – Monday, 4:00 PM at the Kiln Creek Rec Center (Board)

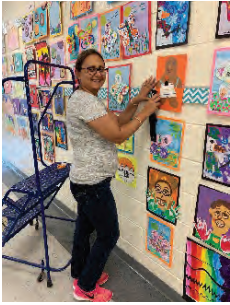

Everyone is invited to attend (home owners and renters). If you are interested in serving on a committee or as a chairperson (Neighborhood Crime Watch), please contact Sandy Embry at 898-4508.

We celebrated our annual picnic on Sunday May 19th at the East end of Drivers Lane, we had a great crowd, met some new residents and had a wonderful time. The food was great and the weather was wonderful. I want to take this opportunity to thank our Social committee and wonderful neighbors for providing the grills, tent and had work setting this event up. Melvin & Marsha Renn, Nora Paschall, Wayne Kitelyn and Kent & Lynette Conley a big THANK YOU and JOB WELL DONE. Another successful event in Player's Choice. (See picture)

KILN CREEK ELEMENTARY VOLUNTEER PROGRAM

Kathy Schnepf, Volunteer Coordinator, Edgewater

We wrapped up this year of volunteerism at the school with many accomplishments, number one being the growth of our group...10.5 consistent volunteers (we have a baby volunteer helper)! Volunteers worked in the Library and Cafeteria, completed numerous projects for teachers thus lessening their "take home" work, and participated in numerous events throughout the year requiring adult participation and thus showing the children in our community that they are cared about! Many thanks to all those who assisted this school year!

The Volunteer Program will continue next school year so be thinking of how you might like to help. As I always say, you don't need to have children in the school to help...most of us do not. "It takes a village to raise a child". Kiln Creek is helping to do just that!

For more info contact Kathy.schnepf@gmail.com or 802-274-9477

Pickleball is blooming at Kiln Creek

by Kenneth Drees

We started pickleball in Kiln Creek last October. Some of the hardy souls stayed with us as we continued to play outside during the winter months. Better playing weather has returned and we are seeing some familiar faces returning to the courts. The Homeowner's Association has had permanent lines painted on the courts, and the lights all work for evening play.

For those of you not familiar with the game, pickleball is a lot like tennis but is played on a smaller court with paddles and a plastic ball about the size of a tennis ball. It can be a singles or doubles game, but most people prefer to play doubles (less running). It is a game that is easy to learn and enjoy quickly. The sport can be played by people of any age, but is particularly popular among seniors.

If you are interested in learning more about the game, come out to watch and give pickleball a try. We have extra paddles and balls, so you don't need to bring anything. Any of our players can help you learn the game, and are a very sociable group. We play on the courts adjacent to the Kiln Creek Homeowner's Association offices on Mondays at 5:00 pm, Thursdays at 8:30 am, and Saturdays at 8:30 am.

This is so convenient to have pickleball right here in Kiln Creek where we live, and the Homeowner's Association is very supportive of our sport.

This Week In Kiln Creek:

Friday 5/31/19 - Our Pools opened for the season! Hundreds of residents have already enjoyed the great weather at our pools; many of which attended our Aqua Zumba trial class. Swim team also started off with a big "kick"! We look forward to having a great summer; see you at the pool(s)!!

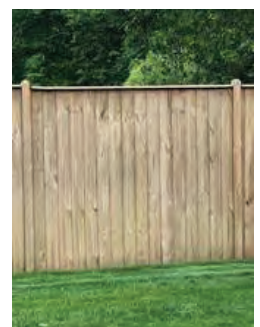

Friday 5/3/19 - Our NEST Ballroom was filled wall to wall with a fabulous ART SHOW hosted by the Kiln Creek Social Group! The ballroom was a colorful mix of original ambient music, enthusiastic attendees and talented artists displaying a large variety of mediums. Professional artist Bob Langston gave a demonstration of his caricature drawings and wrapped up the evening with an entertaining program about his life and experiences as a career artist. Thanks to all who came out to make this a great event!

DID YOU KNOW???

Friday 5/10/19 - DID YOU KNOW when you replace your fence, the "smooth side" of the fence must face outwards? If you have an original fence, chances are the smooth side is facing in; if this is the case at your home, PLEASE DO NOT replace your fence the same way it has always been. All fences when replaced, shall be replaced with the smooth side facing outward and the crossmembers facing inward. Any replacement of fencing also requires an application prior to replacement.

Friday 5/7/19 - DID YOU KNOW the HOA office has 3 staff members that are notaries? There is always someone here during our normal business hours for your notary needs. No appointment necessary! And FREE! We also have a Board member who is a notary and offers after hours notary services. Just call the HOA for contact information.

Friday 3/29/19 - DID YOU KNOW you have to order a disclosure package when you sell your home? Typically, when you sell through a realtor, they are aware to purchase a disclosure; however, a lot of times individual "By Owner" sales do not realize they have to purchase a disclosure package for the new buyer. Please do not give them your old package from when you bought the home. A new package must be ordered for each sale. We typically tell owners to wait until there is a contract on the house and order the package about a month before you close. It takes us the full TWO WEEKS to process these requests. There are no rushes, so please plan accordingly. Please contact the HOA office for any assistance when ordering a disclosure package, we are always happy to help!

ELPING HANDS PROGRAM

Because we receive calls quite often asking if we know of neighborhood kids who can provide services to the residents such as baby sitting, yard work etc., we have created this list. These individuals are willing to provide services to the community. Please contact the individuals directly for services and negotiations of services.

Kiln Creek's Fall Yard Sale Saturday, October 5, 2019

This year our FALL COMMUNITY-WIDE YARD SALE will take place on Saturday October 5th (rain date October 12th) from 8 a.m. until 1 p.m. Clean out your closets, attics and get ready; it will be here before you know it!

Residents in Newport News, please remember to obtain a yard sale permit from any NN Police precinct. There is a nominal charge for this permit. York County residents do not need a permit.

****Goodwill Industries will be at our Recreation Center parking lot from 10:00 a.m. until 2:00 p.m. for any leftovers you would like to donate or to accept any donations from your spring cleaning.****

*P***ET REMINDERS**

We are continuously receiving complaints about pets relieving themselves in other people's yards. Not all owners/residents are pet lovers like you are and may not appreciate someone else's pet "going" in their yard. Please be considerate when walking your pet and take steps to avoid private property during a walk. Try taking a moment to let your pet go to the restroom before your walk or try your best to make sure they "go" somewhere that isn't on private property.

Please also make sure you are picking up after your pet and putting all pet waste bags into our trash receptacles. Please **DO NOT place pet waste bags on the ground.** When you are done picking up after your pet, please put the bags in the trash. It is very unsightly for our residents and guests to look at bags of waste sitting on the ground during their nice leisurely walks. If there is not a trash station on your walking route, we ask that you please take the pet waste with you and place in your personal trash bin.

One last reminder, please make sure to check that your fence gate is closed before you leave or go inside. We have had reports of pets wandering out of yards without owners knowing. You may also check your fence-line once in a while to repair holes that your pets can get out of.

Your Homeowners insurance doesn't cover floods.....

Federal flood insurance does

Hurricane season started June 1, 2019. There is usually a 30 day waiting period from the date of the application before flood coverage starts.

Floods can happen anytime, anywhere.

Federal disaster assistance? It is not the answer either.

Only Federal Flood Insurance reimburses you for flood damage to your property.

Providing *Peace of Mind* for generations

“When my mother passed, I had complete faith in Peninsula Funeral Home. My wife’s family has turned to them for generations. Everyone was very understanding and respectful of my mother’s wishes. I took great comfort knowing that I could trust them to handle every detail perfectly.”
